STAT

Dear [Redacted]

This is to acknowledge receipt of your letter of June 1, 1967, setting forth your proposals for contract changes for the Association Benefit Plan to be effective January 1, 1968.

Your proposals to increase the basic benefit for hospital room and board expenses from \$30 a day to \$40 a day and the maternity benefit for hospital room and board expenses from \$20 a day to \$30 a day are acceptable and hereby approved.

Since changes of benefits and rates for the Association Benefit Plan will not be included in the informational pamphlet (BRI 41-117) to be distributed to employees, we can be more flexible about when we need a firm commitment on your proposed changes. However, I would appreciate your board making a final decision by August 31 if they possibly can.

Sincerely yours,

Andrew E. Ruddock
